

# The Labyrinth Song

Asaf Avidan

Evening rises, darkness threatens to engulf us all  
But there's a moon above it's shining and I think I hear a call  
It's just a whisper through the trees, my ears can hardly make  
it out  
But I can hear it in my heart, vibrating strong as if she shout  
s

Oh Ariadne, I am coming, I just need to work this maze inside m  
y head  
I came here like you asked, I killed the beast, that part of me  
is dead  
Oh Ariadne, I just need to work this maze inside my head  
If only I'd have listened to you when you offered me that threa  
d

Everything is quiet and I'm not exactly sure  
If it really was your voice I heard or maybe it's a door  
That's closing up some hero's back, on his track to be a man  
Can it be that all us heroes have a path but not a plan?

Oh Ariadne, I'm coming, I just need to work this maze inside my  
mind  
I wish I had that string, it's so damn dark, I think I'm going  
blind  
Oh Ariadne, I just need to work this maze inside my mind  
For the life of me I don't remember what I came to find

Now tell me princess are you strolling through your sacred grov  
e?  
And is the moon still shining? You're the only thing I'm thinki  
ng of  
The sword you gave me, it was heavy, I just had to lay it down  
It's funny how defenseless I can feel here when there's nobody  
around

Oh Ariadne, I'm coming, I just need to work this maze inside my  
heart  
I was blind, I thought you'd bind me, but you offered me a char  
t  
Oh Ariadne, I just need to work this maze inside my heart  
If I'd known that you could guide me, I'd have listened from th  
e start

Somewhere up there there midnight strikes, I think I hear the f  
all  
Of little drops of water, magnified against the barren wall  
It's more a feeling than a substance, but there's nobody around  
And when I'm in here all alone, it's just enough to let me drow

n

Oh Ariadne, I was coming, but I failed you in this labyrinth of  
my past

Oh Ariadne, let me sing you, and we'll make each other last

Oh Ariadne, I have failed you in this labyrinth of my past

Oh Ariadne, let me sing you, and we'll make each other last
