

I am facing the truth  
I got to change the way I live  
Can't go on this way  
The price is too high to pay

After the rain I feel the sun  
See how I run to my destiny  
Life is a game  
I got to learn how to play  
I make my own rules  
'cause now I am free to choose  
Courage and faith will show me the way  
See how I run to my destiny

Like the Phoenix I rise  
From the ashes of life  
I don't need fortune or fame  
Just some peace of mind

Like the Phoenix I fly  
leaving the lies behind  
Future's golden for me  
There is no one who can stop me now

I'm noble and strong  
I'm walking down the road that I choose  
Each day is a gift  
And I know that I can't lose

Glorious future is waiting for me  
See how I run to my destiny

Like the Phoenix I rise  
From the ashes of life  
I don't need fortune or fame  
Just some peace of mind

Like the Phoenix I fly  
leaving the lies behind  
Future's golden for me  
There is no one who can stop me now
