Arcadia

Light up, spark the detonator Now I'm homeward bound, way to se e you later If you make that step you're the instigator Got my mind made up, I'll be your navigator If you want me to travel o ver moonlit miles For a precious smile Following my lonely hear t Call on me, take me...

Far over the seas I return in my dreams Sailing home under the stars To be safe in your arms Ever near, travel through time Ev er close in my mind Say you will truly be mine Say you'll alway s be mine

We are a winning combination We're two stars aligned in a const ellation When I get too low you're my inspiration Never let me down, you're a revelation One that comes along once in a lifeti me Oh I realise You give me love free and wild Oh my child, lea d me...

Far over the seas I return in my dreams Sailing home under the stars To be safe in your arms Ever near, travel through time Ev er close in my mind Say you will truly be mine Say you'll alway s be mine

Our empire stretches from the deserts To the ice fields Love an d courage can take us anywhere We dare to go

Far over the seas I return in my dreams Sailing home under the stars To be safe in your arms Ever near, travel through time Ev er close in my mind Say you will truly be mine Say you'll alway s be mine
