

Carnal Love

Ash

Sweet thing
Graceful beauty of the seraphim
Baby, I long to feel your breath enter in
The sun is setting, shadows lengthening
Our tender passion, it will be lingering
Releasing feelings hidden deep within
My kisses will rain gently down upon your skin
Now I can feel my soul awakening
I love to stay and listen while you sing

It's carnal love that I'm thinking of
I'm addicted to your sweet stuff
It's burning up
I can't get enough
No, I won't let you go

Come to me
All the good things, they are wild and free
No you can't hide or run from your destiny
You can surrender oh so tenderly
Just breathe in deep and feel your soul release

It's carnal love that I'm thinking of
I'm addicted to your sweet stuff
It's burning up
I can't get enough
No, I won't let you go

It's carnal love that I'm thinking of
I'm addicted to your sweet stuff
It's burning up
I can't get enough
No, I won't let you go
It's carnal love that I'm thinking of
I'm addicted to your sweet stuff
It's burning up
I can't get enough
No, I won't let you go
No, I won't let you go
