

## Change Your Name

Ash

If you ever feel afraid  
You can always change your name  
It might help you rearrange  
Your hopes and dreams for a better future

You know there'll always be a place  
For you right here under my doorway

Rise up  
You will get stronger  
In time you'll no longer feel the pain  
Will it ever go away?  
Will it ever go away?

You know it feels like such a shame  
To let you go, see you walk away  
I don't know if you're the same girl that I knew  
Or are you a stranger?

You know there'll always be a place  
For you right here under my doorway

Rise up  
You will get stronger  
In time you'll no longer feel the pain  
Will it ever go away?  
Will it ever go away?

If you ever feel afraid  
You can always change your name

Rise up  
You will get stronger  
We break and all you feel is pain  
Will it ever go away?

Rise up  
You will get stronger  
We break and all is doubt and pain  
Will it ever go away?  
Will it ever go away?
