

## Dark and Stormy

Ash

The morning's pool of rain  
I listen to the murmur  
Oof the breaking waves  
If you are afraid  
If you feel uncertain  
Honey let me change your mind

On these summer days  
Dark and stormy ways  
And captivate  
Those who came before me  
I am captured by your gaze  
Drawn into the flames  
And leave no trace  
Of one thing i am certain

I can't turn away  
I can't turn away, oh

The morning hour goes by  
Which i don't invision  
You're facing my mind, no-o  
I am hypnotised  
But i live for your beauty  
Leaves me mesmerised, oh-h

On these summer days  
Dark and stormy ways  
And captivate  
Like those who came before me  
L am captured by your gaze  
Drawn into the flames  
And leave no trace  
Of one thing i am certain

I can't turn away  
I can't turn away  
Can't turn away-ay-ay-ay  
Wah-oh, wa-ah-oh  
Wah-oh, wa-ah-oh

On these summer days  
Dark and stormy ways  
And captivate  
Like those who came before me  
I am captured by your gaze  
Drawn into the flames  
And leave no trace  
Of one thing i am certain

I can't turn away  
I can't turn away-ay  
Can't turn away  
Can't turn away-ay  
I can't turn away  
I can't turn away-ay  
Can't turn away-ay-ay-ay

Wah-oh, wa-ah-oh  
Wah-oh, wa-ah-oh  
Yeah-ah, wa-ah-oh  
Yeah-ah, wa-ah-oh
