

1. Move closer

set my mind on fire

taking over

the world seems so alive oh uh-oh, the world seems so alive

R: She slips into my mind and she is gone, gone to set the score,

gone into the time when ... any lies.

My brother started school again today,

for to pass the time, to occupy my mind while I'm waiting for her.

2. Time in basement

listening to the rain

Thinking things over

I think it over again, oh uh-oh, I think it over again

R: She slips into my mind...
