

# Nightfall

Ash

Come with me  
Into the realm of dreams  
Drift to sleep  
And follow me  
To lands of make believe

Come and see  
I'll show you the world at peace  
Tranquil seas  
Far beneath  
The stars shimmering

When I leave  
Just call out if you're in need  
Say my name  
And there I'll be  
Always  
Eternally
