

# Shining Light

Ash

Roman candles that burn in the night  
Yeah, you are a shining light  
You lit a torch in the infinite  
Yeah, you are a shining light  
Yeah, you light up my life

You have always been a thorn in their side  
But to me you're a shining light  
You arrive and the night is alive  
Yeah, you are a shining light  
Yeah, you light up my life

We made a connection  
A full on chemical reaction  
Brought by dark divine intervention  
Yeah, you are a shining light

A constellation once seen  
Over royal Davids city  
An epiphany you burn so pretty  
Yeah, you are a shining light

You are a force, you are a constant source  
Yeah, you are a shining light  
Incandescent in the darkest night  
Yeah, you are a shining light

My mortal blood I would sacrifice  
For you are a shining light  
Sovereign bride of the infinite  
Yeah, you are a shining light  
Yeah, you light up my life

We made a connection  
A full on chemical reaction  
Brought by dark divine intervention  
Yeah, you are a shining light

A constellation once seen  
Over royal Davids city  
An epiphany you burn so pretty  
Yeah, you are a shining light

These are the days you often say  
There's nothing that we cannot do  
Beneath a canopy of stars  
I'd shed blood for you

The north star in the firmament  
You shine the most bright  
I've seen you draped in a electric veil  
Shrouded in celestial light

We made a connection  
A full on chemical reaction  
Brought by dark divine intervention  
Yeah, you are a shining light

A constellation once seen  
Over royal Davids city  
An epiphany you burn so pretty  
Yeah, you are a shining light  
Yeah, you light up my life

Yeah, you are a shining light  
Yeah, you light up my life
