

## Breakup 2 Makeup

Ashanti

I saw you again for the first time  
Been a long time  
It brought out all these feelings  
That I never knew I had inside

Seeing you with another girl  
It didnt sit with me too well  
And I'm mad at myself 'cause I love you  
And with or without you I'm goin' through hell

I don't think that I could shake ya  
So baby, can we make up (Yeah)  
I know that this is kind of crazy (Baby)  
But baby, I wanna make up

I don't think that I could shake ya  
So baby, can we make up (I don't think I could shake ya, baby)  
I know that this is kind of crazy (Crazy)  
But baby (But baby), I wanna make up

I never knew I could love you  
How I love you  
I thought that I was through with you  
So glad that I could be single

Now I'm gone thinkin' 'bout the past  
And wish that we could just go back  
And I'm mad at myself 'cause I love you  
And I really want you to come on back

I don't think that I could shake ya (Yeah)  
So baby, can we make up (Oh, I want you to come back to me bad)  
I know that this is kind of crazy (Hey, yeah)  
But baby, I wanna make up (Hey, yeah)

I don't think that I could shake ya (Ooh...ooh...)  
So baby, can we make up  
I know that this is kind of crazy (I don't think I could shake ya, baby)  
But baby (Hey, yeah), I wanna make up

I don't know if I'm crazy  
But all pain and the heartache you gave me  
That only made me  
Wanna get back with you, oh...oh...oh...

You held her hand the way you held mine  
You felt her, uh, the way you felt mine  
And all the fightin' that we went through  
See, I was already used to it

I don't think that I could shake ya  
(Hey...ey...hey...ey...)  
So baby, can we make up  
I know that this is kind of crazy (Crazy)  
But baby (Yeah), I wanna make up (I wanna make up with  
you, babe)

I don't think that I could shake ya (I don't think I could shake ya, babe)  
So baby, can we make up (Ooh)  
I know that this is kind of crazy (Oh, oh, oh)  
But baby (Baby), I wanna make up

I don't think that I could shake ya (What did you do)  
So baby, can we make up (Ooh, you got me missin' you)  
I know that this is kind of crazy  
But baby, I wanna make up (Ooh)

I don't think that I could shake ya (Ooh)  
So baby (Baby), can we make up (Break up)  
I know that this is kind of crazy (Crazy)  
But baby (Baby), I wanna make up

Oh...  
La-la-la-la-la

I don't know what you did to me, boy  
But I want you so  
Come back now or I'll go crazy, crazy  
Crazy, crazy
