How u feelin'?

Feelin' great I'm excited

You look good so to all your fans out there all over the world

from this

Um I really want people to feel me on this one this is definite
ly my best album I'm just
excited about it the lyrics are just a little bit deeper hooked
back up with 7 Aurelius so ites a
beautiful thing to me

The albums crazy so explain to everyone the title Concrete Rose

Concrete Rose because when you think of Hip Hop you think of so
mething grimy, grungy, kinda
gritty Concrete when you think of RnB you think of something so
ft sensual kinda like a Rose my music
is considered Hip Hop and RnB so Concrete Rose
