

Don't Let Them

Ashanti

Say that you want me
Say that you'll never leave me
You gotta tell me you need me
Don't let them take your love away
(2x)

Some say that I am a fool to love you
And some say that I'm too dumb to know what's right for me
But only I can live my life, and only I can feel my heart ache
I never claim to know everything but I know when your love
s away
I can't sleep and I can't eat and I can't live and I can't brea
the
So don't make a fool of me, just love me

Say that you want me
Say that you'll never leave me
You gotta tell me you need me
Don't let them take your love away
(2x)

Now they say that me loving you will hurt me
And they say it's a matter of time before you break my heart
But even when we're far apart I always feel that you are with me
I hope and pray almost everyday that our love never goes away
Cuz I can't see where I would be without your love all over me
So don't make a fool of me just love me and say

Say that you want me
Say that you'll never leave me
You gotta tell me you need me
Don't let them take your love away
(2x)

Baby you're all, all that I need, need in my life, right here wit
h me
(2x)

Say that you want me
Say that you'll never leave me
You gotta tell me you need me
Don't let them take your love away
