

# Hey Baby (After the Club)

Ashanti

Hey baby, (baby) tell me whatchu wanna do (whatchu wanna do)  
Ooh baby, (baby) cuz I could give the world to you (the world to you)

Hey baby, (baby) tell me whatchu wanna do (whatchu wanna do)  
Ooh baby, (baby) cuz I could give the world to you (the world to you)  
Sweet baby, (baby) look at what I'm goin' through (i'm goin' through)  
Baby, baby, (baby) I'm needin' it, I'm wantin' you (I'm wantin' you)  
We don't have to rush  
But after the club I wanna feel your touch  
Cuz I'm needin' you,  
And I'm fiendin' you,  
I be sleepin' you,  
And daydreamin' you,  
I been seein' you,  
With just me and you,  
If you feel it too, then say (oh)

My body froze, and you're the only one I'm seein'  
Spinnin' clouds, and usually I would be leanin'  
Now I believe everything happens for a reason  
Cuz what I feel with you and me got me believing

Cuz when I looked at you  
I just couldn't move  
So what are we gonna do  
Cuz I'm feelin' like I wanna leave with you, hey  
Whatchu wanna do  
Cuz I wanna leave with you

Hey baby, (baby) tell me whatchu wanna do (whatchu wanna do)  
Ooh baby, (baby) cuz I could give the world to you (the world to you)  
Sweet baby, (baby) look at what I'm goin' through (i'm goin' through)  
Baby, baby, (baby) I'm needin' it, I'm wantin' you (I'm wantin' you)

But after the club I wanna feel your touch  
Cuz I'm needin' you,  
And I'm fiendin' you,  
I be sleepin' you,  
And daydreamin' you,  
I been seein' you,  
With just me and you,  
If you feel it too, then say (oh)

I never knew that you could really have me fiendin'  
Like a drug, controlling every part of me  
I wanna know, if we can get a little closer  
And go somewhere, cuz I just wanna get to know ya

Cuz when I looked at you  
I just couldn't move  
So what are we gonna do  
Cuz I'm feelin' like I wanna leave with you, hey  
Whatchu wanna do  
Cuz I wanna leave with you

Hey baby, (baby) tell me whatchu wanna do (whatchu wanna do)
