

# I Know

Ashanti

Dear Lord, I come to You a humble man  
Asking Your forgiveness for all my sins that I've committed throughout my life  
And Lord, I ask of You one more thing  
Have mercy on my enemies, for they not know what they do  
As we proceed, Chapter II

I know it gets hard for us sometimes  
And I know we can't stop living this life  
I know it gets harder everyday  
But I know we can't stop living this way

Some days I would say there's got to be a better way  
See, I don't know if I want to live my life like this for each and every day  
But now I found that I've got to say  
Even though it gets hard, I came this far  
And I can't live my life no other way

I know it gets hard for us sometimes  
And I know we can't stop living this life  
I know it gets harder everyday  
But I know we can't stop living this way

I tried to figure out if there's another path for me  
'Cause all these ups and downs and ins and outs be kind of stressing me  
But I could never see myself living like nothing else  
It's hard to tell, but I know this life too well

Sometimes people just don't know  
What they are and what to follow  
Even when it don't seem right  
Get on by and live your life

I know it gets hard for us sometimes  
And I know we can't stop living this life  
I know it gets harder everyday  
But I know we can't stop living this way

Ooooooh, ooooooh  
Ooooooh, ooooooh

I know it gets hard for us sometimes  
And I know we can't stop living this life  
I know it gets harder everyday  
But I know we can't stop living this way  
(2x)

Yeah, for all my peoples living that everyday life  
Sometimes you gon' have ups, sometimes you gon' have downs  
Fight through that y'all, keep pushin' it, don't ever stop pushin, don't ever stop believing  
Take the good with the bad  
You know, it's gon' be alright
