I Know

Ashanti

Dear Lord, I come to You a humble man Asking Your forgiveness for all my sins that I've committed throughout my li fe And Lord, I ask of You one more thing Have mercy on my enemies, for they not know what they do As we proceed, Chapter II

I know it gets hard for us sometimes And I know we can't stop living this life I know it gets harder everyday But I know we can't stop living this way

Some days I would say there's got to be a better way See, I don't know if I want to live my life like this for each and every day But now I found that I've got to say Even though it gets hard, I came this far And I can't live my life no other way

I know it gets hard for us sometimes And I know we can't stop living this life I know it gets harder everyday But I know we can't stop living this way

I tried to figure out if there's another path for me 'Cause all these ups and downs and ins and outs be kind of stressing me But I could never see myself living like nothing else It's hard to tell, but I know this life too well

Sometimes people just don't know What they are and what to follow Even when it don't seem right Get on by and live your life

I know it gets hard for us sometimes And I know we can't stop living this life I know it gets harder everyday But I know we can't stop living this way

Oooooh, oooooh Oooooh, oooooh

I know it gets hard for us sometimes And I know we can't stop living this life I know it gets harder everyday But I know we can't stop living this way (2x)
