

# Love Again

Ashanti

I got somebody all that, he just got me feeling crazy he really  
really did his thang, I think I fell in love again

You came into my world and taught me things  
And I cant lie cuz boy you did your thang  
Feel like I'm floating wen I hear your name  
I think you made me fall in love again

I know it could be done like this  
A simple touch could feel just like a kiss  
And when you put your hands in certain places  
Boy I cant help but make them silly faces  
Cuz what you doing to me should be a sin  
It feels so good that I can barely hold it in

You came into my world and taught me things  
And I cant lie cuz boy you did your thang  
Feel like I'm floating wen I hear your name  
I think you made me fall in love again

I love to feel your heartbeat next to mine  
It always seems to heat me up inside  
Its crazy how we work up such a sweat  
And I aint never had it better ever since  
Cuz wat u doing to me should be a sin  
It feels so good that I can barely hold it in, boy you

You came into my world and taught me things  
And I cant lie cuz boy you did your thang  
Feel like I'm floating wen I hear your name  
I think you made me fall in love again

You stay on my mind  
Boy I just cant find the one to do them things that you do  
Ever since you came into my life

You came into my world and taught me things  
And I cant lie cuz boy you did your thang  
Feel like I'm floating wen I hear your name  
I think you made me fall in love again
