

Ohhh Ahhh

Ashanti

It was in the way you
Grabbed my waist looked into
My face and told me I was only yours
Already knew that I had
Fell for you giving myself to you
I kinda want a little more see
I don't know what you did but
I like it and how it is I don't know
If it's right, I don't care if it's wrong,
I don't know if it's love, but I can't get enough so.

Ooo oh ooo ya just what I need tonight (2x)

I always wanna be alone with you
No matter what we do it's something
That I'm gonna love, even when I am
On the phone with you I pretend I'm
Holding you, I'm fiending for you more and more
See now I know what you did
Just one kiss with your lips,
See I know how I feel
What I'm feeling is real and
I need you to know that you're
Making me go

Ooo oh ooo ya just what I need tonight (2x)

Boy you got me just where I been dreaming
Fiending for your love
I have never met no one to take
me and make feel like you do

Ooo oh ooo ya just what I need tonight (4x)

Boy you got me just where I been dreaming
Fiending for your love
I have never met no one to take
me and make feel like you do

Ooo oh ooo ya just what I need tonight (4x)
