

## Then Ya Gone

Ashanti

Well well well well Hello Baby  
One day you're here and then you're gone

One day you're here baby and then you're gone  
One day you're here baby and then you're gone  
One day you're here baby and then you're gone  
One day you're here baby and then you're gone

Listen everyday we complain about little ups and downs  
We need to be thanking the Lord that we are still around  
You'll never know when it's you're time to go  
And I know it's hurting so bad to lose people that we love  
We got to use that example and try and straighten up  
You gotta live everyday as if it's your last one  
See one minute you're here and then the next day you're gone

One day you're here baby and then you're gone  
One day you're here baby and then you're gone  
One day you're here baby and then you're gone  
One day you're here baby and then you're gone

See lately I wake up in the morning wanting to cry  
I bend my knees and I raise my head up to the sky  
And sometimes I just can't fight my feelings I have inside  
See I always wish that you would be here right by my side  
I'm glad I told you I love you so much before you died  
I knew you couldn't and wouldn't be here for very long  
See one minute you're here and the next day ya gone

One day you're here baby and then you're gone  
One day you're here baby and then you're gone  
One day you're here baby and then you're gone  
One day you're here baby and then you're gone

Sometimes the world that we live in don't seem so fair or forgiv  
ing  
These street are so hard to survive in cause all day you see pe  
ople dying  
And I pray that one day we all see that life ain't promised to  
you  
And life ain't promised to me  
Never forget this and be clear we don't know how long we gon' b  
e here
