

Agony Of Love

Lane, Asher

You look at her face but you see straight through her
you're holding her hand like a glass of wine
you tell her she is what you've always look for
but honestly you've just never look twice

someting's got to change

if no one calls to say I love you
is no one's there to break your heart
if there isn't anybody you'd give life for

you feel the agnony of love
you feel the agnony of love
tearing your heart out

You're kissing her lips but you just don't feel it
you've hearing a voice in the back of your mind
it whispers 'is this what you really wanted?'
or is it just another waste of time?

Something's got to change

If no one calls to say I love you
If no one's there to break your heart
If there isn't anybody you'd give your life for

you feel the agony of love
you feel the agony of love
tearing your heart out (3x)
