

## Agony Of Love

Lane, Asher

You look at her face but you see straight through her  
you're holding her hand like a glass of wine  
you tell her she is what you've always look for  
but honestly you've just never look twice

something's got to change

if no one calls to say I love you  
is no one's there to break your heart  
if there isn't anybody you'd give life for

you feel the agony of love  
you feel the agony of love  
tearing your heart out

You're kissing her lips but you just don't feel it  
you've hearing a voice in the back of your mind  
it whispers 'is this what you really wanted?'  
or is it just another waste of time?

Something's got to change

If no one calls to say I love you  
If no one's there to break your heart  
If there isn't anybody you'd give your life for

you feel the agony of love  
you feel the agony of love  
tearing your heart out (3x)
