

Hello Baby

Asher Monroe

Hello baby
Where did you go,
I've been looking for you all night
Am I crazy
I've never known that
a love can make me feel so right

And girl, you took my breath away
When we first met, when we first met, oh
Now I got you here to stay
Can you feel it, my heart's beating

Cause you are the only one for me
I searched so high and low
The only one I see
Baby I can't let go

(Oh wo, oh wo)
You're the one for me
(Oh wo, oh wo)
I will never leave
And there ain't no place I would rather be
You're the one for me

Oh we can take it straight to the end
Baby, take my hand and come with me
And don't you worry, this ain't pretend
That tonight I'm makin' you believe

And girl, you took my breath away
When we first met, when we first met, oh
Now I got you here to stay
Can you feel it, my heart's beating

Cause you are the only one for me
I searched so high and low
The only one I see
Baby I can't let go

(Oh wo, oh wo)
You're the one for me
(Oh wo, oh wo)
I will never leave
And there ain't no place I would rather be
You're the one for me

(Oh wo, oh wo)
You're the one for me
(Oh wo, oh wo)
I will never leave
And there ain't no place I would rather be
You're the one for me

I'll take it higher
I'll take it higher
I'll take it higher, higher with my love
I'll take it higher

I'll take it higher with my love

Listen baby, I will always be around
You're the only
You're the only
You're the only
You're the only one

(Oh wo, oh wo)
You're the one for me
(Oh wo, oh wo)
I will never leave
And there ain't no place I would rather be
You're the one for me

(Oh wo, oh wo)
You're the one for me
(Oh wo, oh wo)
I will never leave
And there ain't no place I would rather be
You're the one for me
