

# Like I Do

Asher Monroe

What's going on  
I keep fighting for the  
Memories that we left alone  
Wishing we kept it close

And where did it go  
I keep trying girl cause you are  
The only thing worth fighting  
For, baby you're worth dying for

And this ones on my heart  
The memory never changed,  
And this loves all we got

Believe me when I tell  
You baby there ain't  
Nobody else quite like you.  
And all you need to know  
My baby, nobody gonna  
Love you like I do

Ooh ooh  
Like I do, Like I do  
Ooh ooh like I do.  
Nobody love you like I do

Come over here tell  
Me what you wanna hear  
Don't you know I'm gonna  
Give you my all and I will never  
Let us fall

And this ones on my heart  
The memory never changed  
And this loves all we got

Believe me when I tell  
You baby there ain't  
Nobody else quite like you.  
And all you need to know  
My baby nobody gonna  
Love you like I do

Ooh ooh  
Like I do, Like I do  
Ooh Like I do  
Nobody love you like I do

Oh oh oh oh  
Oh oh oh oh  
Nobody love you like I do  
Oh oh oh oh  
Oh oh oh oh  
Nobody love you like I  
Ooh oh like I do, like I do  
Ooh oh like I do

Nobody love you like I do.
