

# On My Way

Asher Monroe

Baby I'm on my way,  
So don't you go nowhere  
I know I'll never be perfect  
But that's how she would make me feel  
I know I won't feel worth it, no  
But I just need you here

It may take a while but, but  
I just wanna be where you are  
And no matter how far, babe  
At the end of the day,  
Baby you got my heart, for sure  
And I'll be searching for you girl

Baby I'm on my way,  
So don't you go nowhere  
B-b-baby I'm on my way  
On my way  
Baby I'm on my way to you  
On my way  
Baby I'm on my way to you  
On my way

I know I may forget the little things,  
But she'll know how to forgive me  
And when they tryna tear us down ooh  
But she'll always be there to rebuilt it

It may take a while but, but  
I just wanna be where you are  
And no matter how far, babe  
At the end of the day,  
Baby you got my heart, for sure  
And I'll be searching for you girl

Baby I'm on my way,  
So don't you go nowhere  
B-b-baby I'm on my way  
On my way  
Baby I'm on my way to you  
On my way  
Baby I'm on my way to you  
On my way  
Baby I'm on my way to you  
On my way

No, it don't, no, it don't matter how far, babe  
Oh, you got me, got me  
No, it don't, no, it don't matter how far, babe  
Oh, you got me got me

Baby I'm on my way,  
So don't you go nowhere  
(I don't want you go nowhere)  
B-b-baby I'm on my way  
On my way  
Baby I'm on my way to you

On my way

Baby I'm on my way,  
So don't you go nowhere  
(I don't want you go nowhere)  
B-b-baby I'm on my way  
On my way  
Baby I'm on my way to you  
On my way

Baby I'm on my way to you  
On my way  
Baby I'm on my way to you  
On my way
