Party all the time, party all the time, party all the time

Parties all the time, shorty she a dime

A** like Nicki, barbie in her prime

Stripping on that pole, shorty on her grind

I meet her in the bathroom, dog her from behind

It's the red cup sipping, Ciroc boy mixing

Bottles of that peach got that pussy all dripping

Line goes down the street, room full of bad b****es

Everybody super wasteful and them hoes is mad twisted

Asher Roth passed her off I had to ball, that a** was soft I dribbled all on it like basketball

She nibbled all on it, I smashed I'm gone

It last through the morning and on through the night

Eleven A-M I was off to a flight

Land in your city it's all of the lights

I got them hoes rolling like all of the dice

My girl wants to
Party all the time, party all the time, party all the time
My girl wants to
Party all the time, party all the time, party all the time
My girl wants to
Party all the time, party all the time, party all the time
