

Cry Out

Ashes Remain

Cry Out Lyrics
Ashes Remain
lost inside
of your own mind
you won't come out this time
not the kind
to run and hide
what made you decide

stricken by
the dark of night
don't believe the lies
just push aside
the raging tide
and lose the alibis

and if you'll speak this time,
I don't know
but He can see inside,
so I just hope

that you will

lost inside
of your own mind
you get out just in time
you weren't the kind
to run and hide
there's reason to the rhyme

just cry out I am
