

I Won't Run Away

Ashes Remain

I don't wanna fall and throw it all away
I don't wanna burn through another day
I've been searching for a better way
And I'll keep fighting until it's over

I'm not running away
when everything is falling down around me
Take me to the place I found You
I'm so lost without You
I'll be here as long as it takes
I won't run away

I don't wanna fade and drift away
I don't wanna drown underneath the weight
I can feel You
everytime I break
And I'm still fighting
cause it's not over

I'm not running away
when everything is falling down around me
Take me to the place I found You
I'm so lost without You
I'll be here as long as it takes
I won't run away

This world's so lonely
You're my only
hope to break away

I'm not running away
when everything is falling down around me
Take me to the place I found You
I'm so lost without You
I'll be here as long as it takes
I won't run away
