

On My Own

Ashes Remain

There's gotta be another way out
I've been stuck in a cage with my doubt
I've tried forever getting out on my own
But every time I do this my way
I get caught in the lies of the enemy
I lay my troubles down
I'm ready for you now

Bring me out
Come and find me in the dark now
Everyday by myself I'm breaking down
I don't wanna fight alone anymore
Bring me out from the prison of my own pride
My God I need a hope I can't deny
In the end I'm realizing
I was never meant to fight on my own

Every little thing that I've known
Is every thing I need to let go
You're so much bigger than the world I've made
So I surrender my soul
I'm reaching out for your hope
I lay my weapons down
I'm ready for you now

Bring me out
Come and find me in the dark now
Everyday by myself I'm breaking down
I don't wanna fight alone anymore
Bring me out from the prison of my own pride
My God I need a hope I can't deny
In the end I'm realizing
I was never meant to fight on my own

I don't wanna be incomplete
I remember what you said to me
I don't have to fight alone

Bring me out
Come and find me in the dark now
Everyday by myself I'm breaking down
I don't wanna fight alone anymore
Bring me out from the prison of my own pride
My God I need a hope I can't deny
In the end I'm realizing
I was never meant to fight on my own
