On My Own

Ashes Remain

There's gotta be another way out I've been stuck in a cage with my doubt I've tried forever getting out on my own But every time I do this my way I get caught in the lies of the enemy I lay my troubles down I'm ready for you now

Bring me out Come and find me in the dark now Everyday by myself I'm breaking down I don't wanna fight alone anymore Bring me out from the prison of my own pride My God I need a hope I can't deny In the end I'm realizing I was never meant to fight on my own

Every little thing that I've known Is every thing I need to let go You're so much bigger than the world I've made So I surrender my soul I'm reaching out for your hope I lay my weapons down I'm ready for you now

Bring me out Come and find me in the dark now Everyday by myself I'm breaking down I don't wanna fight alone anymore Bring me out from the prison of my own pride My God I need a hope I can't deny In the end I'm realizing I was never meant to fight on my own

I don't wanna be incomplete I remember what you said to me I don't have to fight alone

Bring me out Come and find me in the dark now Everyday by myself I'm breaking down I don't wanna fight alone anymore Bring me out from the prison of my own pride My God I need a hope I can't deny In the end I'm realizing I was never meant to fight on my own
