

# Invisible

Ashlee Simpson

Like a grain on the beach  
Like a star in the sky  
Far too many to count with the naked eye  
They won't see you

Go ahead  
Walk on by  
You don't know I'm alive  
Maybe one day you'll find  
You should open your eyes  
You don't know me

[Chorus]  
You're the one who looked right through me  
Now you're saying that you knew me  
When I was invisible  
And you're the one who walked right through me  
Now you're saying that you knew me  
When I was invisible

Little things adding up  
Try so hard not to rush  
Giving in, letting go of the world we know  
They won't see you

Force it down  
Lose the taste  
They all think it's a waste  
We don't need to believe every word they say, no  
They don't know me

[Chorus]  
You're the one who looked right through me  
Now you're saying that you knew me  
When I was invisible  
And you're the one who walked right through me  
Now you're saying that you knew me  
When I was invisible

It's so easy to be lost  
But maybe you're not lost at all

Do you recognize me?  
Do you know who I am?  
Do you see me now?  
Do you see me now?

[Chorus]  
You're the one who looked right through me  
Now you're saying that you knew me  
When I was invisible  
And you're the one who walked right through me  
Now you're saying that you knew me  
When I was invisible  
I'm invisible  
I'm invisible
