

# Sorry

Ashlee Simpson

1. I threw away my phone, I thought that you should know  
I'd throw away my home, if I had somewhere to go  
Anything to stop the circle in my brain  
Anything is better than you, making me feel lame

X: Twenty-eight days to kick a habit  
Twenty-eight days to let you go  
Twenty-eight days and I'll be on my own

R: All my life I've been sorry for something  
Something gets me nothing and nothing's such a waste  
All this time I've been saying I'm sorry  
Why should I be sorry for all of your mistakes  
Why should I be sorry? (sorry)

2. I've had enough of you, please forget my name  
I'm runnin' 'round on empty, I'm still tryin' to get away  
Anything to kill, the consciousness of you  
Anything to rid myself of all the fowl abuse

X: Twenty-eight days to kick a habit...

R: All my life I've been sorry for something  
Something gets me nothing and nothing's such a waste  
All this time I've been saying I'm sorry  
Why should I be sorry for all of your mistakes?

\*: Now you'll know what it feels like to bite your tongue  
Now you'll know what it feels like to be the one  
Who walks around with knots in his stomach; I've been there and I've done  
it  
And now you'll know what it feels like to always be afraid of everything  
you had wanted to say  
Who's sorry now, who's sorry now, WHO'S SORRY NOOOOOWWW!

R: All my life I've been sorry for something  
Something gets me nothing and nothing's such a waste  
All this time I've been saying I'm sorry  
Why should I be sorry for all of your mistakes (3x)
