

Sorry

Ashlee Simpson

1. I threw away my phone, I thought that you should know
I'd throw away my home, if I had somewhere to go
Anything to stop the circle in my brain
Anything is better than you, making me feel lame

X: Twenty-eight days to kick a habit
Twenty-eight days to let you go
Twenty-eight days and I'll be on my own

R: All my life I've been sorry for something
Something gets me nothing and nothing's such a waste
All this time I've been saying I'm sorry
Why should I be sorry for all of your mistakes
Why should I be sorry? (sorry)

2. I've had enough of you, please forget my name
I'm runnin' 'round on empty, I'm still tryin' to get away
Anything to kill, the consciousness of you
Anything to rid myself of all the fowl abuse

X: Twenty-eight days to kick a habit...

R: All my life I've been sorry for something
Something gets me nothing and nothing's such a waste
All this time I've been saying I'm sorry
Why should I be sorry for all of your mistakes?

*: Now you'll know what it feels like to bite your tongue
Now you'll know what it feels like to be the one
Who walks around with knots in his stomach; I've been there and I've done
it
And now you'll know what it feels like to always be afraid of everything
you had wanted to say
Who's sorry now, who's sorry now, WHO'S SORRY NOOOOOWWW!

R: All my life I've been sorry for something
Something gets me nothing and nothing's such a waste
All this time I've been saying I'm sorry
Why should I be sorry for all of your mistakes (3x)
