

Back To Blue

Ashley Gearing

Can't get you off my mind
I can't get you out of my dreams
No matter how I try
You'll never leave
Gets to me
And I'm back to blue again

I bet I've cried a million tears
I bet I've used up every star
Just wishing you were here
I tried to be strong
Then I hear our song
And I'm back to blue again
I know
I should be over you
By now
Oh if someone could just show me how
If time can really heal a heart
Tell me how long will it take yeah
'Til I don't fall apart
So I won't have to go
Back to blue again

Oh won't tell me
So I won't have to go
Back to blue again yeah
