## Lay Me Down

**Ashley MacIsaac** 

Fireworks exploding In a 21 gun salute Fireworks exploding Angels are crying Through a crystal Irish flute Angels are crying Champagne is spilling Champagne is spilled As if a million flowers Had suddenly been killed As if a million flowers Dearly beloved We are gathered here today Dearly beloved We have come together For the love that got away For the love that got away Naked on a staircase That we could never build As if a million flowers Had suddenly been killed As if a million flowers Roulette, roulette, place your bet Roulette, roulette, cigarette As if a million flowers And the last time
