

To America We Go

Ashley MacIsaac

I'll see you forever
Every time you look my way
I just have to get up and say
I love you, I love you
Forever and ever and ever
I can't know why you have left me
Standing all alone, hey
Every time you look my way
I just have to get up and say
I love you, I love you
Every time you look my way
I just have to get up and say
I love you, I love you
I'll be waiting
Every time you look my way
I just have to get up and say
I love you, I love you
Forever and ever and ever
