

If the Devil Don't Want Me

Ashley Monroe

I'm out walking in dark alleys
Searching for shadows in the valleys
You were my Heaven, you were my home
So what am I supposed to do when Heaven is gone?

If the devil don't want me
Where the hell do I go?
If I can't see the light
In the neon glow
If there ain't enough whiskey
To kill the fire in my soul
If the devil don't want me
Where the hell do I go?

I've heard stories 'bout honky tonk angels
Picking up pieces of broken strangers
I'm at rock bottom with a smoke and a sin
When the party is over, then I'm lonely again

If the devil don't want me
Where the hell do I go?
If I can't see the light
In the neon glow
If there ain't enough whiskey
To kill the fire in my soul
If the devil don't want me
Where the hell do I go?
No, there ain't enough whiskey
To kill the fire in my soul
If the devil don't want me
Where the hell do I go?
