

# Mayflowers

Ashley Monroe

If April showers bring May flowers  
And a flower brings a smile  
Then I can't complain about all this rain  
Cause I love it when you smile  
It's been a long, long, cold winter  
I didn't think we'd make it through  
I was trying but I could not remember  
The last time I'd seen your eyes so blue

And if I have to wait  
Well, that's what I'm gonna do  
For Spring to come  
And the roses bloom  
Yeah, I'll bring them home  
I'll bring them home to you

What I wouldn't give to see you  
With a gold back in your head  
If I could look out the kitchen window in the garden  
And see you standing there  
If April showers bring May flowers  
And a flower brings a smile  
Then I can't complain about all this rain  
Cause I love it when you smile

And if I have to wait  
Well, that's what I'm gonna do  
For Spring to come  
And the roses bloom  
Yeah, I'll bring them home  
Yeah, I'll bring them home to you

And if I have to wait  
Well, that's what I'm gonna do  
For Spring to come  
And the roses bloom  
And bring them home  
Yeah, I'll bring them home  
Yeah, I'll bring them home to you
