

Alright, Ok

Ashley Parker Angel

Head light flash and i see your face rearview mirroras you drive away

Alright, OK

Street light shine as my heart goes numb i should be pist but thats what you want

Alright, OK

Hey and i can see in the pouring rain that all roads leed me to yesterday and now i know and

Now you know where were going..

Its gunna be alright its gunna be ok your gunna feel alright, OK Its gunna be alright its

Gunna be ok your gunna feel alright, OK

I look back to see where you went i found myself where i have never been

Alright, OK

Sun burns bright at the crack of noon my hard side says im over you

Alright, OK

Hey and goodbye are all i cant think to say when all roads lead me to yesterday and now i know

And now you know wher were going

Its gunna be alright its gunna be ok your gunna feel alright, OK Its gunna be alright its

Gunna be ok your gunna feel alright, OK

And it keeps on getting better all the time everyday everday 'cause you know everything will

Work out fine, Now what do u say what do u say

Its gunna be alright its gunna be ok your gunna feel alright, OK Its gunna be alright its

Gunna be ok your gunna feel alright, OK
