

# Acting Out

Ashley Tisdale

1. Up above the surface I was just a perfect child  
But underneath it all I was craving to be wild  
Don't you judge by the cover, it's so far from what you see  
I'm losing all my patience waiting on you to believe  
I'm suffocating... I can't breathe

R: Let me out this cage, I'm not gonna hold back  
Ima break these chains, I'm taking control now  
Gonna give you something to talk about  
It's another side of me, I'm acting out  
Set me free, I'm ready to show you  
This is what I need, it's time to get dirty  
Ima show you what I'm talking about  
It's another side of me, I'm acting out

2. Welcome to a new beginning, it's time to start the show  
No I don't think it matters if it's real or just a role  
Once you get a taste of it you'll be begging me for more  
I'll give you something to remember once I hit the floor  
I'm letting go... of what you know

R: Let me out this cage...

\*: I've been waiting just to drive you crazy  
Now it's my time and yes, it feels amazing  
There's nothing left of what you've seen before  
Life's too short just to do what you're told  
Just to do what you're told  
Just to do what you're told (Do what you're told)  
Just to do what you're told  
Do what, do what you're told

R: Let me out this cage...

Life's too short just to do what you're told (I'm acting out)  
Life's too short just to do what you're told (I'm acting out)  
Life's too short just to do what you're told (I'm acting out)  
Yeah, yeah, I'm acting out
