

Erase and Rewind

Ashley Tisdale

I don't want to feel like this
I don't want to, I don't want to
I don't want to freak you out
But I (but I, but I)
Think I might have said too much
Didn't mean to, didn't mean to
Think I might have said it's you
And I (and I, and I)

Guess I should leave this behind
Guess I should erase and rewind
But somehow I can't seem to stay away
I don't want to sound desperate but I am
So say that you'll come around
Guess I should erase and rewind
Erase and rewind

I don't wanna stand in line
Like I used to, like I used to
I don't wanna have to scream
And shout (and shout, and shout)
Cause I'm the kind of girl that sticks
Like a tattoo, like a tattoo
Yeah I'm the kind of girl that wears
On your arm, a-a-arm

Guess I should leave this behind
Guess I should erase and rewind
But somehow I can't seem to stay away
I don't want to sound desperate but I am
So say that you'll come around
Guess I should erase and rewind
Erase and rewind

You never do return my calls
Just like we never met at all
No matter what I'll always wait for you
I'll wait for you, I'll wait for you

I don't wanna feel like this
I don't want to (Yea-ea-eah)

Guess I should leave this behind
Guess I should erase and rewind
But somehow I can't seem to stay away
I don't want to sound desperate but I am
So say that you'll come around
Guess I should erase and rewind
Erase, erase and rewind

Guess I should leave this behind
Guess I should erase and rewind
But somehow I can't seem to stay away
I don't want to sound desperate but I am
So say that you'll come around
Guess I should erase and rewind
Erase and rewind
