

# Goin' Crazy

Ashley Tisdale

Somethin' 'bout your style, got me freakin' out  
(hey boy, hey boy)

Gotta make your mind and there ain't no doubt  
(hey boy, hey boy)

You're really laid back and you play it smooth  
(hey boy, hey boy)

I see the way you move from across the room and I know I'm trippin' on you

[Bridge:]

Boy, I'm feelin' something real and  
I don't know what to do  
so excited, i can't hide it  
got my eyes on you

[Chorus:]

You got me goin' crazy,  
wanna be your baby  
I don't know what to do,  
I can't take my eyes off you,  
You got me goin' crazy,  
It's just the way you movin'  
I really wish you knew,  
what you do,  
I can't take my eyes off you

You're so sensational, Think you've got it all,  
(hey boy, hey boy)

And I like the way you're unpredictable  
(hey boy, hey boy)

Won't you come to me, just like I wished  
(hey boy, hey boy)

'Cause I never met a guy who made me feel like this  
It's a chance that I just can't miss, oh

[Bridge]

[Chorus]

Got me losin' my mind  
Boy, wish you were mine  
Why don't you send me a sign  
I been losing my sleep  
Think I'm fallin' too deep  
Don't know what it is you do to me  
what you do to me

[Chorus 2x]
