

Guilty Pleasure

Ashley Tisdale

Oh, so treacherous and dangerous, devious
You keep me on the edge, na na na na na na

Oh, you are my guilty pleasure
So intoxicating when you know it isn't right
I'll keep it under cover
See the pressure's on cause I'm so into you

Typical boys, that's what I like
And I really have to say that
Typical me and my appetite
For destruction, can't you see that
Any other girl but me
Would be running from a guy like you
But now you're gonna find there is no fight
What I really mean to say it

Oh, you are my guilty pleasure
So intoxicating when you know it isn't right
I'll keep it under cover
See the pressure's on cause I'm so into you

Evidently you're unaware
Of the chemistry you're throwing out
Indirectly you have no care
And I really have no doubt that
Any other girl but me
They would be running from a guy like you
Oh, you're something that I can't do without
And I really have to say this

Oh, you are my guilty pleasure
So intoxicating when you know it isn't right
I'll keep it under cover
See the pressure's on cause I'm so into you

Oh, so treacherous and dangerous and devious
You keep on the edge, na na na na na na na

Oh, you are my guilty pleasure
So intoxicating when you know it isn't right
I'll keep it under cover
See the pressure's on cause I'm so into you

Oh, never do without
Mmm, never do without
Mmm, never do without
Mmm, never do without

Right now you're gonna find there is no fight
What I really mean to say is

Oh, you are my guilty pleasure
So intoxicating when you know it isn't right
I'll keep it under cover
See the pressure's on cause I'm so into you

Oh, so treacherous and dangerous and devious
You keep on the edge, na na na na na na na, oh
