

How Do You Love Someone

Ashley Tisdale

Momma never told me how to love
Daddy never told me how to feel
Momma never told me how to touch
Daddy never showed me how to heal
Momma never set a good example
Daddy never held momma's hand
Momma found everything hard to handle
Daddy never stood up like a man

I've walked alone, broken
Emotionally frozen
Getting it on
Getting it wrong

How do you love someone
Without getting hurt
How do you love someone
Without crawling in the dirt
So far in my life
Clouds have blocked the sun
How do you love, how do you love someone
How do you love, how do you love someone

I was always the chosen child
The biggest scandal I became
They told me I'd never survive
But survival's my middle name

I've walked alone, hoping
Just barely coping
Getting it on
Getting it wrong

How do you love someone
Without getting hurt
How do you love someone
Without crawling in the dirt
So far in my life
Clouds have blocked the sun
How do you love, how do you love someone
How do you love, how do you love someone

It's hard to talk
To see what's deep inside
It's hard to tell the truth
When you've always lied

How do you love someone
Without getting hurt
How do you love someone
Without crawling in the dirt
So far in my life
Clouds have blocked the sun
How do you love, how do you love someone

How do you love someone
And make it last

How do you love someone (love someone)
Without tripping on the past
So far in my life
Clouds have blocked the sun
How do you love, how do you love someone
How do you love, how do you love someone, someone
