Masquerade

Ashley Tisdale

Hip shaker, dream maker Heart breaker, earth quaker I can be anything that you want me to Coin spender, mind bender Jet setter, go getter Changing my getup for anything you choose

I won't mind trying on someone else I won't mind seeing just how it felt I might like changing my disguise To make you happy

Here's my formal invitation You and me go masquerading Lose ourselves in this charade and Is this love we're imitating Do we want what we've got? If not I say so what Here's my formal invitation La, la, la, la you can be my

School teacher, mind reader Dream weaver, just be the One I can count on to play it up with me Hot waiter, cool skater Trail blazer, pose major Naughty and nice What I know you want to be

You wanna try on someone else You might like seeing how it felt Do you mind changing your disguise If it makes me happy

Here's my formal invitation You and me go masquerading Lose ourselves in this charade and Is this love we're imitating? Do we want what we've got? If not I say so what Here's my formal invitation Let's go, let's go masquerading

We'll make it fun When it's over and done I still want you to see the real me No more disguises Let true love decide If we should be together

Here's my formal invitation You and me go masquerading Lose ourselves in this charade and Is this love we're imitating? Do we want what we've got? If not I say so what Here's my formal invitation Let's go, let's go masquerading

La, la, la, la, la, la, la, la La, la, la, la, la, la, la, la
