

# Over It

Ashley Tisdale

[Spoke:]

[Boy] Hello?

[Ashley] Hey you know what? I dont need this. I can not believe you.

Over her and why you gotta lie about it? Thats it I'm over it!

[Singing:]

Everytime I saw you I tried to pretend

Now I think your caught in a spin.

Said that I could trust you be my everything fallin from the shadows.

Now I think.

[Chorus]

All those times wasted and you tried to hide it from me

How can't you say it how can't you do it never really

Had me im over it so why is it so hard to see all the lies

Your tellin me now im gettin out im movin im over it.

Try to walk away but my heart was sayin no

Cant belive it took so long to go

Now the past is fadin

I hardly know your name

Dont know what your doing

You lost the game

[Chorus]

I dont care for you ever im over it

Why it yah im over it

[Chorus 2x]

Im over it

Im over it
