

Unlove You

Ashley Tisdale

1. I fell in a perfect way
Never had a choice to make
Crashed into your tidal wave
I didn't even struggle
Sailed right through
your atmosphere
Closed my eyes
and landed here
I didn't see the trouble
And I didn't care

R1: I can't unlove you
Can't do that
No matter how I try
I'll never turn my back on
Someone who loved me too
I can do most anything I have to

2. But this one thing
I cannot change
I almost kinda
like the pain
Wear your tattoo
like a stain
And it will take
forever to fade away

R1: I can't unlove you...

*: But I can't unlove you (I can't
unlove you, I'll do that)
Why would I want to? (I can't
unlove you, I'll do that)
I can't unlove you
(I never wanted to)
Can't do that I'll never
get through it (I'm

trying to get over you)
Why would I want to?

3. There's always time
for other dreams
Why must we erase
these things?

R2: I can't unlove you
Can't do that
No matter how I try
I'll never turn my back on
Someone who loved me too
I can't unlove you
Can't do that
No matter how I try
I'll never turn my back on
Someone who loved me too
I can do most anything I have

to I can't unlove you
