

## She's Fiddling

Ashram

Why don't you still if I told?  
Why do you walk in the rain?  
Why don't you live day by day?

And she's fiddling  
Now she's fiddling

Why don't you still if I hold?  
Why don't you dance everywhere?

And she's fiddling  
Now she's fiddling
