

# Whiskey Won The Battle

Ashton Shepherd

I had a headache when I woke up this morning  
And a picture of you beside my head  
And I drank 'till two  
And I fell lying on the floor  
The whiskey won the battle  
But your memory won the war

And I can't figure out  
Just what went wrong  
I play it in my head  
Like an old Hank Williams song  
And I can't do this  
I can't do this anymore  
The whiskey won the battle  
But your memory won the war

Oh, and it tears me up  
Knowing she's with you  
Oh, and I drink some more  
For your memory I gotta lose

I had a headache when I woke up this morning  
And a picture of you beside my head  
Oh, and I drank 'till two  
And I just fell lying on the floor  
The whiskey won the battle  
But your memory won the war

Yeah, yeah

The whiskey won the battle  
But your memory won the war
