

What's Your Name

Asia Cruise

What's your name (2x)

What's your name (2x)

But I been waiting on you
I've been so patient for you
I'm not trying to rush you or anything
I just want to get to know you

There ain't no need for gaming
I know just what your saying
And I been watching you from all the way across the room
I just got to find a way to come and talk to you

And I'm so bad at introductions
And I don't know what to talk about
And I don't want to say the wrong thing and push you away from me
And you so tight I don't want to mess this up
And you just the type to have me dressing up
There's only one chance
I got to say something
Here goes nothing

Usually I don't do this but
You wont do it for me so
What's your name (baby, baby) x2

It takes two to make a thing go right
You are looking to right so
What's your name (baby, baby) x2

Its not that I'm impatient
But you're procrastinating
And I'm not trying to rush you or anything
I'm not trying to be rude
And I can't wait no longer
The feelings getting stronger

I'm the only one you not talking two
So I got to come and talk to you
But baby I'm

And I'm so bad at introductions
And I don't know what to talk about
And I don't know what to talk about
And I don't want to say the wrong thing o push you away from me
And you so tight I don't want to mess this up
And you the type to have me dressing up
