

# Worry Bout Me

Asia Cruise

[Verse1]

You and I both know that we're not happy so something needs to happen

Same ol' same everyday of the week (everyday of the week)

Why o Why do you keep lyin to me Im not buying a thing that you say so just leave it alone (so just leave it alone)

[Brigde]

And baby when i call, you act like you dont wanna talk to me (yeah), actin like your asleep

If thats how it is...

I'll just leave you alone (I'll just leave you alone)

[Chorus 2x]

But first you gotta have...

Ya gone, ya say, ya home, So you aint gotta worry bout me

I'm okay but you cant stay, So you aint gotta worry bout me.

(2x) you you you you you you you aint gotta worry bout me

[Verse 2]

If you leave, baby i can do what i wanna do and i aint gotta worry bout you

Please dont talk, baby this aint the time (Baby this aint the time)

Why O why are you tryna cover it up im so done with ya stuff i deserve much more better than you (much more better than you)

[bridge]

And baby when you call I'll act like i dont wanna talk (yeah) to you how does it feel boo boo

I guess thats how it is so I'll leave you alone (so I'll leave you alone)

[chorus 2x]

(2x) you you you you you you you aint gotta worry bout me
