

# Al Gatto Nero

Asia

You're twisting what I say,  
You have me on the floor.  
I have to get away,  
And move towards the door.

This is it,  
Because I'm on my way.

Tell me where you're going to now?  
I'm going down to find Al Gatto Nero.  
What will you do, please tell me how?  
Mi sento fortunato si si è vero.  
We need to know, when will you be there?  
I'll be there after midnight, and I will be solo.  
And how are you feeling tonight?  
I'm feeling good!

All's fair in war and love,  
I hear that's what they say.  
It's clear I've had enough,  
We can fight another day.

This is it,  
Because I'm on my way.

Tell me where you're going to now?  
I'm going down to find Al Gatto Nero.  
What will you do, please tell me how?  
Mi sento fortunato si si è vero.  
We need to know, when will you be there?  
I'll be there after midnight, and I will be solo.  
And how are you feeling tonight?  
I'm feeling good!

Time after time,  
Out of sight, out of mind.

Tell me where you're going to now?  
I'm going down to find Al Gatto Nero.  
What will you do, please tell me how?  
Mi sento fortunato si si è vero.  
We need to know, when will you be there?  
I'll be there after midnight, and I will be solo.  
And how are you feeling tonight?  
Via della Luna, quattro quattro zero.

Tell me where you're going to now?  
I'm going down to find Al Gatto Nero.  
What will you do, please tell me how?  
Mi sento fortunato si si è vero.  
We need to know, when will you be there?  
I'll be there after midnight, and I will be solo.  
And how are you feeling tonight?  
I'm feeling good!
